Additional Comments (Non-Confidential)

23. Please make any additional comments that you wish to bring to the Council's attention about your experience and suitability for this judgeship.

I was born in Baton Rouge, LA and grew up in Mobile, AL where my father served as a pastor. From an early age, my parents taught me the importance of hard work, treating others fairly and giving back to my community. I have devoted my career to these three important lessons.

I have spent my legal career giving back to the community by working to seek justice and protect victims. Seeking justice is not about winning or losing a trial. Rather, seeking justice is about protecting the rights of the accused as well as the protection of the general public. As an attorney, I worked hard to find creative resolutions to cases that provided some level of satisfaction for all parties. Not all cases were able to be resolved pre-trial. In those cases set for trial, I worked hard to be prepared, efficient and respectful of all participants.

During my career, I have treated opposing counsel, law enforcement and litigants (whether criminal defendants or parents in a dependency case) with dignity, fairness and respect. This is an asset that has served me well in my current position and will continue to serve me well.

Additional Comments (Continued)

as a Superior Court Judge. As a Judge, I have worked to make sure that all persons in the courtroom understand the nature of the proceeding, that they will be given an opportunity to be heard and what will happen next. Whether someone is in the courtroom for the first time or whether they are in a situation where emotions are high, knowing what is happening at the outset of the hearing allows them to better participate and understand. They may not like what is happening or the outcome of the hearing, but my goal is that they will walk away feeling like they were heard and were treated fairly.

I believe my years in criminal prosecution, my time as a Magistrate Judge and my time as a District Court Judge make me uniquely qualified for the position of Superior Court Judge. The Superior Court is a very busy court and requires someone who is efficient, organized and calm under stress. I am used to working in stressful conditions with large caseloads and multiple competing deadlines while also remaining respectful to staff and those appearing before the Court. Additionally, I have experience as both a Special Master and as a Pro Tem Superior Court Judge handling Superior Court matters.

It would be my honor, and a tremendous responsibility, to continue my public service as a Superior Court Judge.

24. Please indicate whether you prefer to be interviewed in public session or in private session. Your choice of a public or private interview has no bearing on the Council's determination of your qualifications or on the questions the Council may ask. You may change your request in writing at any time before the interview starts (select one).

Public Interview

Private Interview

25. Please prepare a brief biographical statement (*limited to 150 words*) about your background, legal education, and legal experience. Please do not list personal information about minor children. Your picture and a copy of this statement will be scanned and posted on the Council's website after the application deadline. In its bar survey, the Council will invite attorneys to review the information if they wish to become more familiar with your background and experience. Use the form on the following page for your biographical statement. Please leave the box at the top empty. The Council will use this space for your scanned picture. ***To be fair to all applicants, the Council will strictly enforce the 150 word limit.***

If you object to the posting of your picture on the Council's website, please indicate your objection below. If you object, we will not post your picture, although you still must submit two photographs of yourself with your application.

If you check this box **we will not** post your picture on the website.

Please leave this area blank

Date: September 15, 2023

I was born in Louisiana and primarily raised in Alabama. I received my bachelors degree from the University of Mobile and my law degree from Roger Williams University.

The majority of my legal career has been in the courtroom. From 2006-2011, I worked in a public service capacity in Florida. I moved to Kenai in 2011 and after just a short time in Kenai it became apparent that Alaska is home. From 2011-2018, I had the privilege of serving the people of the State of Alaska in Kenai, Homer, Seward, Sitka, Kake and Petersburg as an Assistant District Attorney. I have continued to serve the people of the State of Alaska as a Magistrate Judge in Sitka and Kenai and as a District Court Judge in Palmer.

It would be my honor to continue serving the people of the State of Alaska as a Superior Court Judge.
