## Additional Comments (Non-Confidential)

23. Please make any additional comments that you wish to bring to the Council's attention about your experience and suitability for this judgeship.

I have worked in the private, non-profit, and public sectors. My extremely varied practice has consisted mostly of litigation, but also some corporate work. In private practice, I represented individuals, a local utility, native corporations, and an international oil and gas company. From a wrongful death action to contract disputes to a Clean Water Act citizen suit, I have litigated in many different areas of civil law. In my current position as an Assistant United States Attorney, I have a diverse criminal practice, handling prosecutions ranging from violent crimes to environmental crimes to fraud and other white collar crimes. As an attorney, my work has taken me to Juneau, Dillingham, Naknek, Seward, Glennallen, Talkeetna, Fairbanks, and the North Slope. I have truly enjoyed the diversity of my legal career to date and believe that I would find equally challenging and rewarding the variety of a superior court caseload.

## Additional Comments (Continued)

The two years I had the privilege of clerking for then Anchorage Superior Court Judge Morgan Christen exposed me to the fast-paced and heavy caseload of a superior court judge. From expedited child custody matters to district court appeals to challenges to ballot measures, every day was filled with hearings, arguments, and settlement conferences. I learned then that the success of our justice system depends upon prompt, reasoned rulings.

Finally, I note that I practically grew up in courtrooms. My mother was a stenographer. As a child, when I wasn't proofreading transcripts of court proceedings, I was observing court hearings or in the clerk's office. Those experiences engrained in me the importance of treating all parties, attorneys, and court staff with respect.

I am truly committed to public service. I would be honored to serve as a superior court judge.

24. Please indicate whether you prefer to be interviewed in public session or in private session. Your choice of a public or private interview has no bearing on the Council's determination of your qualifications or on the questions the Council may ask. You may change your request in writing at any time before the interview starts.

☐ Public Interview

Your picture and a copy of this statement will be scanned and posted on the Council's website after the application deadline. In its bar survey, the Council will invite attorneys to review the information if they wish to become more familiar with your background and experience. Use the form on the following page for your biographical statement. Please leave the box at the top empty. The Council will use this space for your scanned picture. ***To be fair to all applicants, the Council will strictly enforce the 150 word limit.***

Anchorage Superior Court

*Please leave this area blank*

Date: December 9, 2016

I first came to Alaska in 2001 on a backpacking trip with my father. I was hooked. The day after my final law school exam at UVA in 2003, I drove back to Alaska and worked half that summer in Juneau and half in Anchorage.

After a federal clerkship in Connecticut, I clerked for then Superior Court Judge Morgan Christen from 2004-2006, assisting on civil cases. From 2006-2010, I worked in private practice primarily on civil matters, including contract disputes, negligence claims, environmental litigation, and corporate governance. Since 2010, I have been a federal prosecutor.

I made Anchorage home in 2004. My husband and I have been exploring Alaska through mountaineering, climbing peaks from the Chugach to the Wrangells to the Alaska Range. We are thankful to be raising our child here.

I am committed to public service and would be honored to serve Alaska as a superior court judge.
