We are committed to this community because we enjoy living in Bethel and the people are wonderful.

STATEMENT:

It has been an honor and a privilege to serve the people of the YK-Delta as a District Court Judge.

I believe that the fundamental obligation of a judge is to provide a fair and impartial forum for the resolution of disputes according to the rule of law. I strive to meet this obligation by listening to all sides in the case; by being attentive during the proceedings; by being knowledgeable in the law; by rendering prompt decisions; and by being respectful and courteous to everyone that I deal with as a judge.

If retained, I will continue to uphold my oath of office by applying the law fairly, impartially, and respectfully.
