Superior Court, Anchorage

It has been a pleasure and a privilege to have practiced law for over 25 years in my home state. I have been able to represent people statewide, with my main practice here in Anchorage.

After law school I returned home to work for the Alaska Legislature as a committee aide, followed by the state and federal public defender agencies. Since 1994 I have been a sole practitioner, focusing on criminal defense trial work, and occasional plaintiff personal injury cases.

In 2004 I was elected to the Board of Governors for the bar association, and had the honor of serving as both Treasurer and President before my second term ended in 2010.

My spare time is occupied with attempting to become a better triathlete, and with family, friends and various volunteer projects.
