Position(s) for which you wish to be considered:
Fairbanks District Court

Date: July 25, 2011

My family and mentors have impressed in me the virtues of public service, hard work, ethics, never giving up, looking out for the little guy, and always doing something the right way. These virtues, and my varied background and experience, make me well suited for a position on the Fairbanks District Court.

I have tried well over 100 cases to juries, hundreds to the court, and have conducted numerous children's proceedings. I am currently an Assistant Attorney General responsible for defending tort claims against individually sued state employees and state agencies. For approximately six years I was in private practice that included divorces, personal injury, real estate, business, and criminal defense. I have also served as an elected District Attorney, an elected city councilman, an Assistant District Attorney, general counsel for a hospital, grievance judge, and volunteer fireman.

My passions include my family, college basketball, barbecue, woodworking, and scuba diving.
