Writing Sample

21. Attach one example of a brief, memorandum of law, or legal opinion or similar example of legal writing (10-20 pages in length; 15-25 pages for appellate positions) prepared solely by you within the last five years. Please choose a sample that reflects your ability to do legal research and analysis. If you do not have a good sample of this length, include an excerpt from a longer writing. Make sure the sample contains sufficient facts to make it understandable. (Some reply briefs may not meet these requirements.)

Please do not submit: (a) coauthored writing samples, (b) samples with confidential information unless redacted to remove such information, (c) longer writing samples.

22. Has any **public** sanction been imposed against you in response to a complaint, charge or grievance brought against you as an attorney or a judge? Yes No
- Have formal grievance procedures been brought against you? Yes No
- See Bar Rule 22(b) & (e) concerning public bar grievance procedures against attorneys, and AS 22.30.011(b) and .060(b)(3) concerning public disciplinary grievance procedures against judges.
- Have you ever been held in contempt of court? Yes No
- Have you ever been fined or otherwise sanctioned by a judge? Yes No
- In each case, state in detail the circumstances and the outcome.

A Palmer judge will occasionally fine attorneys who are late for court. I believe I have been fined once. I paid said fine.

A Palmer judge publicly reprimanded me off the record for a movie quote that was in a written reply brief to a written memo.

Additional Comments (Non-Confidential)

23. Please make any additional comments that you wish to bring to the Council's attention about your experience and suitability for this judgeship.

I believe that my legal education and experiences, as well as the other information provided in this application, qualify me to be the District Court judge in Bethel.

I have been aware of Bethel court vacancies and I have been thinking about applying for a Bethel judgeship for some time since I returned to Alaska but have not because I believed I would not be able to meet the residency requirement as my years of practicing law in Alaska have been divided in the middle by the absence to Ireland. I would have applied sooner if I thought there was any way to aggregate my times. Even now I will be close with the residency requirement.

Although I left Alaska for several years I maintained very strong ties and so my connection with Alaska and Bethel is greater than the sum of times I have spent there. I met my wife in Bethel. She was working for the Yukon Kuskokwim Health Corporation as director of their emergency youth shelter at the time. Our first child was born in Bethel and so we both have very strong ties to the community and

Additional Comments (Continued)

we are both fully committed to the Bethel community.

As an assistant public defender I must zealously advocate for my clients in an oftentimes adversarial environment - I believe I have done that to the best of my ability, even though sometimes that means working at cross purposes with the judge or the district attorney. I know as a judge my role would be different in that I would no longer be an advocate but a judge. I do not think I will miss being an advocate. Rather I believe I will relish the opportunity to work for justice by working for all sides, to be fair, and to uphold the integrity and independence of the position. I think my personal traits make it easy for me to observe more and speak less. Thus I believe I could carry out my duties fairly, impartially, and with restraint.

My time as an assistant public defender in Bethel will serve me well as I was responsible for a number of the village calendars at different times. This afforded me opportunities to travel to these bush communities and do trials in a number of them. Now some of my fondest memories are from doing misdemeanor trials in Bethel and the surrounding communities in less than ideal conditions.

I believe my time as a deputy magistrate will allow me to hit the ground running in Bethel. I held weekend arraignments with in custody individuals who were often not at their best and learned to do so with a sense of fairness and respect for all.

24. Please indicate whether you prefer to be interviewed in public session or in private session. Your choice of a public or private interview has no bearing on the Council's determination of your qualifications or on the questions the Council may ask. You may change your request in writing at any time before the interview starts.

Bethel District Court

Please leave this area blank

Date: 5/7/13

Originally from the Midwest, I attended college and law school there. I received a Juris Doctorate in 2002 from Ohio Northern University.

I moved to Alaska in 2002 to clerk for Judge Beverly Cutler at the Palmer Superior Court.

I have worked for the Public Defender Agency on two occasions; firstly from 2003 to 2006 in Bethel, handling CINA and juvenile delinquency cases, and later transitioning to misdemeanors, felonies and therapeutic court, and then again from 2008 to present where I handle misdemeanors and felonies in Palmer.

Between my stints with the Public Defender Agency, I spent time in Ireland, my wife Addy's native home; we wanted to be closer to her family after the first of our three children was born, but we missed Alaska too much and eventually decided to return. In Ireland I worked for a law firm and bartended evenings to immerse myself in the culture.
