

Alaska Judicial Council

Judicial Applicant Biographical Statement

Name: Ronald Dupuis

Position(s): Anchorage District Court

Date: November 14, 2025

I grew up in the Northwoods of New Hampshire hunting, fishing, and playing hockey. I graduated from New England College with degrees in Environmental and Political Science before graduating Vermont Law School with a JD and Masters in Environmental Law.

After graduation, I moved to Kodiak and clerked for Superior Court Judge Steve Cole. It was in Kodiak that I fell in love with Alaska and knew I would make it my home.

In 2011, I became an Anchorage Assistant District Attorney where I handled cases in therapeutic, District, and Superior court. Since 2019, I have worked for the Office of Special Prosecutions as the statewide fish and game prosecutor specializing in complex commercial fishing and big game guiding crimes.

I have dedicated my career to public service. I feel fortunate every day to live in this State and enjoy hunting, fishing, and playing hockey with my family and friends.
