Judicial Applicant Biographical Statement

Name: Mark Clark

Position(s): Anchorage & Palmer Superior Court

Date: October 29, 2026

I grew up in Montgomery, Alabama, and attended Biola University, where I received my Bachelor's degree in Public Administration. I then attended NKU Chase College of Law, where I focused my legal studies on advocacy for others and public service.

Following law school, I completed a clerkship in Palmer before ultimately accepting a position as an Assistant Public Defender. In 2021, I transitioned to the Office of Special Prosecutions where I prosecuted environmental crimes and reviewed officer-involved shooting investigations.

I was appointed the Bethel District Attorney in January 2023, and I have loved every moment. It would be an honor to serve the State of Alaska and its residents on the Superior Court.
