## Judicial Applicant Biographical Statement

**Name**: Sam Laffey

**Position(s)**: Palmer & Anchorage Superior Court

**Date**: October 26, 2026

I graduated from Colorado State University in 2015 with a degree in Economics & History. In 2020, earned my J.D. and M.B.A. from the University of Wyoming.

Upon graduation I clerked in probably the most Alaska-like location in the lower 48: Pinedale, WY. After a short time in American Samoa I came to Anchorage and worked at the Anchorage District Attorney's Office before transferring to the Office of Public Advocacy. I currently steward a statewide caseload of probate and child in need of aid cases.

My family and I love Alaska and look forward to our coming decades here. I look forward to further serving the people of Alaska.
