Judicial Applicant Biographical Statement

Name: Anna Elizabeth Ralph

Position(s): Fairbanks Superior Court

Date: October 29, 2026

I moved to Fairbanks in April of 2014 to serve as a law clerk. I spent the next three years as a law clerk, working on a variety of civil and criminal matters. In May of 2017, I accepted a job working for the Fairbanks District Attorney's Office as an ADA. Over the past 9 and I half years, I have served multiple roles within the office. Prosecuting all levels and categories of criminal offenses, serving in a supervisory capacity for a time, and focusing on the range of appropriate resolutions for different cases and different defendants. My professional experience demonstrates my commitment to public service that I would like to continue to perform as a judicial officer.

When I am not working, I enjoy spending time with my wife and dogs, floating the Chena River, working on house projects, and grilling in my backyard.
